Welcome to Paso Del Norte Surgery Center

general information

before you come

Your surgeon will review with you the details of having your surgery performed at the Center. You will be given detailed instructions and a representative of the Center will contact you to obtain and confirm necessary personal information.

surgery center fees

Standard fees for most surgical procedures have been established, so you will know in advance the cost of the services provided to you.

costs included in quoted charges

Admission processing and procedures, pre-anesthesia examination, pre-op, operating and recovery rooms, medications and medical supplies required to provide care during your stay

costs not included in quoted charges

Professional fees for services provided by your surgeon, anesthesiologist and pathologist

explanation of ownership

Your physician may be a partner in ownership of Paso Del Norte Surgery Center.

preparation for surgery

the night before surgery

- Please do not eat or drink anything after midnight on the evening before your surgery.
- If you are taking medications for high blood pressure, diabetes or nervous disorders, contact your surgeon for additional instructions.
- Medications and anesthesia may be harmful to a fetus, especially in the first 12 weeks of pregnancy. If there is the possibility of pregnancy, please contact your surgeon prior to undergoing surgery.
- Notify your surgeon of any changes in your health or if you have been exposed to any communicable diseases.
- Please do not drink alcoholic beverages 24 hours prior to your surgery.

the morning of surgery

- You should arrive at the Center one hour prior to the scheduled surgery time with photo ID and insurance card.
- Bathe the morning of surgery; if you shampoo your hair, make sure it is dry and do not use hairspray.
- Do not wear makeup or lipstick.
- Wear loose fitting, casual clothing that can be easily removed.
- Do not bring rings, watches or other valuables to the Center.
- Bring a list of all prescriptions you are currently taking with you on the day of surgery.
- Bring a written list of known allergies.
- Remove fingernail polish.

prior to surgery

- Patients must sign a surgical consent form before any medication can be given or surgery performed.
- Minors must have a parent or legal guardian sign a consent form before surgery can be performed.
- Patients should not leave the Center unless they are under the care and supervision of a responsible adult. This may be a friend or relative who can drive the patient home.
- Smoking 24 hours before or after surgery may be detrimental to your recovery.

following surgery

- Do not drive, sign important papers or make critical decisions for at least 24 hours.
- Do not operate machinery, power tools, etc. for at least 24 hours.
- Do not drink alcoholic beverages for at least 24 hours.
- A representative of the Center will contact you after surgery to inquire about your condition.
- Your surgeon will provide you with post-operative instructions regarding diet, rest and medication. In the event of any difficulties or complications, call your surgeon immediately.
